Product Description

A love for outdoor style and the simple flow of a flowering vine is the design inspiration for this chandelier. Showing off our love for a traditional shape and a simple silver metallic finish, this elegant crystal chandelier from Lucas McKearn is perfect for a dining room, kitchen or bathroom application. Using the silver with an antique glaze mix, this chandelier's finished metal is formed into a beautifully curved frame that highlights clear hand-cut crystal accents, making this distressed champagne and crystal twelve light chandelier a must-have for your glamorous and sophisticated space.
